

Project Title:
Outside the Box Office.

Project Developer:
Andrea Bell.

Project Concept:

Outside the Box Office is an online destination that allows users to search for any movie title to purchase on DVD searching the databases of multiple sites, presenting all the results to the user, and then the user can choose from which vendor they wish to purchase.

Research APIs:

API for movie information to populate after search:
<https://www.omdbapi.com>

APIs for product search across multiple 3rd party platforms:
http://api-doc.axesso.de/#api-Account_Info
<https://www.rainforestapi.com/>
